No. 27

PUBLICATIONS OF THE
TEACHING STAFF

PUBLISHED BY THE UNIVERSITY AT COLUMBUS

Entered as second-class matter November 17, 1905, at the postoffice at Columbus, Ohio, under Act of Congress, July 16, 1894. Acceptance for mailing at special rate of postage provided for in Section 1103, Act of October 3, 1917.

Authorized July 10, 1918.

Prefatory Note

The Bulletin, "Publications of the Teaching Staff," was authorized by the Publication Board in 1907, as a biennial bulletin. Eight issues have appeared at the specified intervals. This is the ninth issue, and is a complete list of the more important contributions of the members of the Teaching Staff who were connected with the University during the academic years 1925-1927. No publications are listed after June 30, 1927.

The department of the University with which each person is associated is given as an index to the field in which the greater part of his contributions is found.

In the body of the Bulletin the names of the persons are arranged in alphabetical order.
